

## **2000-2002**

2001 was disrupted by the foot-and-mouth disease outbreak and controls (but not too badly).

I don't have electronic copies of the programmes from 2000 to 2002. The main sites we visited were as follows:

### **2000**

Badley Moor  
Bawburgh Lakes  
Rawhall Wood, Beetley  
Cockthorpe Common  
Lolly Moor  
Fulmodeston Severals  
Hempton NOA reserve  
Lynford Meadow  
Thetford, Priory Meadows (NNNS)

### **2001**

Bradenham High Grove & North Grove  
Catfield Hall estate  
Cranwich Heath  
East Walton, Summer End  
Horsford Heath and Houghens Plantation  
Holkham  
Ickburgh forest  
Southrepps Common  
Sporle Wood  
Swannington Ugate Common  
Sweetbriar Marshes & Milecross Marsh
